Dear Preschool Parents,

The next school year is already a reality as we plan and grow our next steps. Sacred Heart Preschool and Sacred Heart School are partners in education. **We would be honored to have you consider Sacred Heart School for your child's kindergarten experience.**

We have a full day kindergarten classroom that offers lifelong instructional skills. Reading, writing, mathematics, religion, science, music, computer lab and physical education are all addressed in a structured and nurturing faith-filled environment.

Kindergarteners attend mass almost every Friday at 9:00 a.m. with the entire school. This allows students to fully grasp the meaning and reverence of attending mass. In fact, kindergarteners will conduct at least one mass during the year! It is an inspiring moment to witness their devotion as it unfolds.

We invite you to come visit our classroom on Wednesday, December 7, 2016. We will welcome guests in the morning from 9:00 - 10:00 a.m. or in the afternoon from 1:00 - 2:00 p.m. It will be a regular work day so watching the students in action can help you visualize your own child in this setting.

We truly hope you will consider becoming part of the Sacred Heart School family! If you have questions, feel free to contact Miss Debbie or Miss Simone at 667-5512 or Ms. Murphy-Lopes at 634-7787.

Our staff extends its best wishes for a safe and fabulous Thanksgiving!!

God Bless You and Yours,

Ms. Murphy-Lopes, Principal
